Environmental Sustainability

Mayor Lantz explained the public hearing process to the audience as it relates to the Official Community Plan Amendment Bylaw No. 2032, 2010. He noted that Administration Report No. 87/10 was reviewed by City Council at the April 12, 2010 Regular Council meeting. The Director of Legislative and Administrative Services confirmed that the City received no letters in opposition to the application and that the utilities companies had no opposition to this amendment bylaw.

Since this is a City initiative, the City Manager provided a brief outline of the rationale and background for the proposed amendment to the City's Official Community Plan Bylaw.

Mayor Lantz invited members of the public to present their views and express any concerns regarding the application. Seeing that there were no comments from the audience, the Mayor declared the meeting closed.
