

## Evacuation Preparation

Prepare a list of the things you will need to take if you are evacuated. If you are given an hour to pack up and go, have a list so you don't forget anything. Keep it handy.

Add these items to your list:

- Water
- Baby needs: diapers etc
- Glasses or contacts and related solutions
- Important papers: Care Cards, medical records, passports, insurance papers etc

- Family jewelry, mementos, photos
- Overnight bag with clothes and toiletries
