DEVELOPMENT VARIANCE PERMIT APPLICATION

PUBLIC MEETING – MONDAY, MAY 11, 2020

CITY HALL COUNCIL CHAMBERS

3:00 PM

The City is seeking the public's input regarding a Development Variance Permit Application (DVP) submitted by Gridline Projects on behalf of Brian Surerus for 9312 – 109 Street.

This application is to vary the City's Subdivision and Development Servicing Bylaw to permit a 30 metre driveway access, whereas the bylaw currently only permits a maximum 9.0 metre driveway access.

The applicant is constructing an addition to their existing building and would like to retain the existing 30 metre driveway access. This application, if approved at this meeting, will allow the existing access configuration to be retained.

Residents are invited to express their comments or concerns regarding this variance to the City of Fort St. John by:

- Mailing or hand delivering to 10631 – 100 Street, Fort St. John, BC V1J 3Z5
Attention: Janet Prestley, Director of Legislative and Administrative Services, or
- by email to legislativeservices@fortstjohn.ca by Friday, May 8, 2020.

Comments received will be distributed to Council for their consideration at the meeting.
