Pomeroy Sport Centre, Rinks and Oval Bookings
North Peace Arena, Rink Bookings

Welcome to the Regular Season Ice Allocation Package! Requests will be accepted until the 18th of May at 4:00pm. Please email reservations@fortstjohn.ca to submit your requests.

We encourage new and emerging sport organizations to participate in our allocation process. We will do our best to accommodate new groups/organizations; however, we use the previous years' bookings as our starting point for allocation.

Please be advised, that non-profit organizations are required to have a society number in place for their organization to receive the subsidized rate – please review the Community Services Fees and Charges Bylaw 2460, 2019 here:
