SCHEDULE E**PAVEMENT DEGRADATION FEES**

These fees will apply to a company who has entered into a Municipal Access Agreement with the City of Fort St. John.

These fees reflect the fact that once pavement has been cut, the strength and longevity of the pavement cannot be restored. The cut edges lead to cracks and ultimately potholes and other defects that require ongoing maintenance and premature replacement. The fee reflects that ongoing maintenance and loss of pavement life.

Where the a Company excavates, breaks up or otherwise breaches the surface of any ROW, the Company will, in addition to its obligation to restore the ROWs, contribute to the cost of the pavement degradation based on the total area of pavement excavated, and such amount will be payable within thirty (30) days of completing the restoration of the applicable ROW, on a one-time project basis, in accordance with the following table:

Age of Street in Years Since Last Paved as determined by the City of Fort St. John	Fee Per Square Metre of Excavation (Calculations will be made using a Minimum width of 1 metre)
0 – 5 Years	\$70.00
6 – 10 Years	\$50.00
