

FOUND BICYCLE POLICY
Council Policy No. 78/07

POLICY:

1. Found bicycles are delivered to the Bylaw Department and a 90-day diary is started.
2. Bicycles are forwarded from the RCMP to the Bylaw Department. They are then stored at the Public Works facility.
3. After the 90-day period has expired, the Bylaw Enforcement Technician Signs off the unclaimed found bicycles.
4. The Bylaw Enforcement Technician then sends letters to the recorded finders of the bicycles asking if they wish to claim the bicycles, otherwise they are disposed of at an annual auction.

DISPOSITION:

The City will donate bicycles each year, as requested by the RCMP, as its contribution to the Needy Family Program. Bicycles will also be made available to School District #60 upon request, in support of their Special Needs Program.
