

Covid Safety Requirements for Events

Published October 15, 2021

This document describes the requirements for event holders hosting events and games at City Recreational Facilities. Event Organizers are responsible for submitting and enforcing their own Covid Safety Plan and ensuring their event complies with the Provincial and Regional Gatherings and Events Orders.

1. Event organizers are required to create, and submit to the City, a personalized Covid Safety Plan to describe how they will meet the mandates outlined in the Provincial, Regional, and City event requirements.
2. Event organizers are responsible for verifying Vaccine Cards for all people 12 years and older when required. Event attendees must to be fully vaccinated.
3. Event organizers are responsible for ensuring that participants and spectators are wearing a face covering as mandated in the Provincial Face Coverings Order.
4. Event organizers are responsible for ensuring adherence to the capacity limits described below.
