**This summer we installed 20 new artistic bike racks all over town, which were designed by locals.**

**During GoByBike Week we challenge you to find them all!**

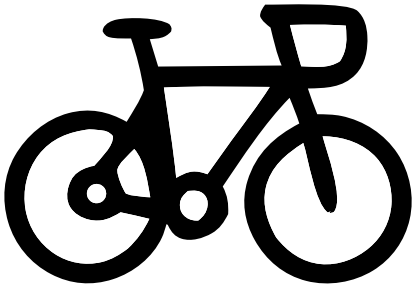

### How it works:

Email [arts-culture@fortstjohn.ca](mailto:arts-culture@fortstjohn.ca) listing all 20 bike rack locations to be entered for a chance to win a fun prize!

### Want extra entries?

 Attach a photo with your bike locked to the bike rack – each photo sent in on a different bike rack will get a bonus entry.

*For example: If you send 3 photos in of your bike locked to 3 different bike racks, you get 3 bonus entries!*

*\* Images submitted may be used on social media and might be added to our image library to promote arts and culture in Fort St. John.*
