

NOTICE OF INTENT

GROUP PURCHASING

The City of Fort St. John is a member of three group purchasing organizations: Canoe Procurement Group of Canada, Kinetic GPO, and Sourcewell. The City intends to participate in one or more purchasing opportunities offered by these groups between January 1 and December 31, 2026.

These organizations help their members buy goods and services at competitive prices by combining the purchasing power of thousands of public agencies. This shared approach makes the buying process simpler, faster, and more cost-effective than if each organization were to purchase on its own.

If you are interested in becoming a vendor, you must register or participate in the bidding processes for Canoe, Kinetic GPO, or Sourcewell.

For more information, visit:

Canoe Procurement Group of Canada: www.canoeprocurement.ca

Kinetic GPO: www.kineticgpo.ca

Sourcewell: www.sourcewell.org
